Lorenzo:

We are available on October 16 at 2:00. Does that work for you? Will we have sufficient time if we start at 2? If not, we could start at 1:30. David Gordon, Francis Zizila (EPA Region 2) and myself will be there in person. I expect that others will be on the phone, so could you set up a conference line?

Don

Hi, Don - I wanted to follow up on our conversation from last Friday. We would like to invite you and your colleagues at the DOJ and EPA to meet in our offices on November 15th or 16th to review where things stand generally on the environmental side and to review the investigation and our conclusions that led to the settlement agreement with YPF. We think it would be helpful for the government to hear the Debtors' side of the analysis.

Please let me know if those dates work for your team. Thanks.

Regards,

Lorenzo
